We have reviewed the specifications of caulking/sealants products to qualify for Energy Star tax credits, and all of the sealants that we manufacture meet the stated specifications, "Caulking designed to air seal". Following is a list of the brand names of our sealants that meet this specification:

Conceal®
Log Builder®
Log Jam®
Chinker's Edge®
Big Stretch®
Lexel®
Through-the-Roof®
eXact color™
MildewFree
Mor-Flexx®

Sashco, Inc.
