

We attract the
"I Care" customer.

If customers loved to recaulk windows... performance wouldn't matter.

- Stretches & compresses — won't crack
- Spans gaps up to 2" wide with no slump
- Paintable and stainable
- Powerful adhesion — won't tear or pull away
- Water-based — easy to tool and clean up
- Exterior and interior use
- 8 building-material colors plus clear
- Keeps stable through 10 freeze-thaw cycles
- Stop-flow plunger — prevents waste and mess
- De-aired — no splats
- Limited lifetime warranty

 Weight: 67 lbs.

Convenient size—ideal for countertops. Complete with eye-catching header, colorful, informative literature and handy 2" Sample Block.

Big Stretch/Coke 6-pak Mini-Pallet

SPECS:
 Item No: 10635
 Dimensions: 25" x 27" x 49.75"
 Contents: 40 6-paks, 240 cartridges
 40 6-paks, 12 oz. Coke Classic
 Weight: 516 lbs.

Stock the Big Stretch Double 6-pak and you'll encourage trial and repeat purchases of Big Stretch during the busy summer season. Mini-pallet is a complete display with 40 double six packs and

header. Its small 25" x 27" footprint means it'll fit anywhere, and disappears when the last 6-pak is sold. What won't disappear are the higher gross profits you'll continue to get for converting heavy latex-base users to Big Stretch. (This is a seasonal offer.)

Big Stretch/Cement Fiber Display

SPECS:
 Item No: 10565
 Dimensions: 13"W x 13"D x 64"H
 Contents: 200 White cartridges
 Shipped with: 2" Sample Block & laminated literature
 No. of cartons: 5
 Weight: 270 lbs.

Imagine a 1 square foot profit center! Shows physical detail on cement-reinforced siding installation. Perfect for selling case quantities of Big Stretch to your contractors. Includes Big Stretch Sample Block and laminated product information.

Big Stretch/Cement Fiber Display

SPECS:
